From Monday, January 6th, 2025, Culver CityBus 6/6R will stop serving Metro Aviation/LAX and Aviation/Century stations. Riders should transfer at the LAX City Bus Center to **Big Blue Bus Route 3** or **Metro Line 117** for onward connections to Metro Rail. All stops south of LAX City Bus Center will be closed. This service change is in preparation for the opening of the LAX/Metro Transit Center in early 2025. Once open, riders will be able to connect directly to the Metro C and K Lines and the future LAX People Mover.
